Throughout our four years of high school, we have found no one who has meant more to us than our advisor. Her counseling, encouragement and understanding have helped us reach our goals for which we strived. In appreciation

for her wonderful guidance and faithfulness, we, the Senior Class of 1960, lovingly dedicate this edition of the 1960 CARDINAL to MISS EDITH AUSLEY, our advisor.

## Class Poem

As seniors of F'ville High  
The time has come to say good-by  
The goal we set, we worked each day  
To prepare ourselves to go our way.

As we look backward from beginning to end  
We wish once more we were about to begin  
Each of us can surely say  
There were memories left from day to day.

Life awaits us with arms outspread  
Now let us go for success is ahead  
If granted permission we'd like to say  
We've enjoyed each and every day.

# CLASS HISTORY

## FADING HOURS AT F. H. S.

Four years ago we, the Seniors of Franklinville High, entered as Freshmen. Mr. S. V. Morgan was our homeroom advisor. Douglas Kimes was chosen as our class president for the years 1956-57.

Our enrollment was forty-one at the beginning of the year. By the end of the year, we had decreased to thirty-four. We learned the ways of high school students and enjoyed our year very much.

Next came our Sophomore year with Mr. Thomas as our homeroom teacher. Our class elected Danny Hopkins as class president. We grew more accustomed to high school and became more settled.

During our Sophomore year, we lost seven more members of our class: Sue Cox, Bonnie Brady, Carol New, Sue Ossic, Gail Stein, Danny Hopkins, and Charles Maness. Now our number was twenty-seven.

After a short vacation we returned to Franklinville as Juniors. The year was filled with many happy moments. We had a new teacher, Miss Burns, whom we liked very much. We elected our class president, Darrell Garner.

Six of our Juniors were chosen as Beta Club members. They were: Steve Holland, Camilla Saunders, Darrell Palmer, Darrell Graner, Rebecca Ellison, and Doris Luck.

Finally came our most wished for and talked about event, the Junior-Senior Banquet. The theme was "The Maypole." One week later another event highlighted our Junior year, it was the ordering of our class rings.

Then came May, when we presented daisy arches to the departing Seniors on graduation night.

Back again in the fall of 1959, there were only twenty-five students with Miss Edith Ausley as our sponsor. Again Darrell Garner was elected our president.

We have enjoyed the past three years at Franklinville High, but we realized that our days were coming to a close, and that our school days will soon become history. We leave our heartfelt thanks to our beloved teachers who have given their time and attention to help us attain our goals as high school students.

May each Senior go forward to the highest goal and always keep the memory of the class of 1960.

# SENIOR SNAPSHOTS

# SENIOR SNAPSHOTS

# CLASS PROPHECY

There is a gate called graduation that every Senior passes through. Beyond that gate is mystery and darkness because our school days have passed so quickly, most of us are still undecided as to the field of work we will chose.

As prophets of our class, we now present to you our ideas of what each individual from the class of 1960 will be doing in the future.

MARIE BEANE has finally finished college and is teaching Business Education back at Franklinville High.

BETTY ELBERSON is now writing a gossip column for the Courier Tribune.

REBECCA ELLISON is now employed at W & L. I guess those A+'s in Shorthand came in pretty handy.

DARRELL GARNER is now designing cars at General Motors, so see Darrell if you get a raw deal on a car.

STEVE HOLLAND has taken over the job as principal at Franklinville High; here's hoping you do as good a job as your Dad did.

SAMMY HURLEY, now a Pro-Basketball Player is autographing "Anacin" advertisements.

NANCY JACKSON now has her own Marine Base in her own back yard; if you can't handle them Nancy, remember the girls in the Class of '60.

DOUG JONES has finally married and has opened up his own Esso Station at Grays Chapel.

DOUG KIMES has finally gotten places with his corny jokes! He now has his own TV program, "People are Corny."

BOBBY LAUGHLIN has finally made it; he is now playing the role opposite Juliet.

DORIS LUCK is now owner and operator of Malone's Beauty Shop.

ALICE MALONE is now General Manager of Cox's Stuffed Animal Corporation.

MARGARET MANESS is now married and raising her own "Beanes."

DARRELL PALMER is now sole owner of Palmer's Cat Farm! If ever in need of a cat see Palmer.

It didn't take much Nurses Training for CAMILLA SAUNDERS to be secretary at Food Line No. 2.

BARBARA SCRUGGS is now a nurse and is kept busy nursing all the hearts she has broken.

Although LARRY SHAW kept insisting that his vote wouldn't count anyway, he is now running for President and is hoping that everyone will cast their vote.

YVONNE SIKES is now in Jackson, Mississippi, working for School Pictures, Inc.

BETTY STRICKLAND is now owner and operator of Strickland's Grocery.

ROBERT VONCANNON is now the most eligible bachelor in the U.S.

DONALD WRIGHT has decided to avoid paying admission fee to the Drive-In Theater every Saturday night; he just opened his own.

Our Best Dressed girl, JANE WRIGHT, who always did go for pretty clothing, is now owner of Cato's and the Glamour Shop.

PAT YORK, our Most Talented girl, finally got places with her talent; she now has a hit record, "Cry Me A River."

Thus ends a glimpse into the future of the Class of 1960. Our prophecy holds no magic; it will probably not be as we predict. But for each departing classmate, whatever he may choose to do, we see a happy, successful life.
